POWER OF ATTORNEY

Under 37 CFR 1.31, and 1.32

I, Jorge J. Inga, hereby aver that I hold the office of President of Automated Medical Access Corporation, a corporation of Florida, having a principal place of business at 6701 Hanley Road, Tampa FL 33634 and that I am empowered to act on behalf of Automated Medical Access Corporation. I further aver that Automated Medical Access Corporation is the holder of the entire ownership interest in the invention entitled "Medical Image System with Progressive Resolution" and described in a U.S. patent application submitted herewith, said ownership interest recorded by the United States Patent and Trademark Office on July 20, 1992 at Reel 6193, Frames 0513 and 0514.

I hereby appoint David A. Kiewit, a Registered Patent Agent having registration number 34640, to represent Automated Medical Access Corporation and act for Automated Medical Access Corporation in the prosecution of a patent application for a Medical Image System with Progressive Resolution as provided for by 37 CFR 1.31 and 37 CFR 1.32.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of any application, any patent issuing thereon, or any patent to which this verified statement is directed.

DECLARATION CLAIMING SMALL ENTITY STATUS

(37 CFR 1.9(d), 1.9(f) & 1.27(c))

Small Business Concern

I, Jorge J. Inga, hereby aver that I hold the office of President of Automated Medical Access Corporation, a corporation of Florida, having a principal place of business at 6701 Hanley Road, Tampa FL 33634 and that I am empowered to act on behalf of Automated Medical Access Corporation.

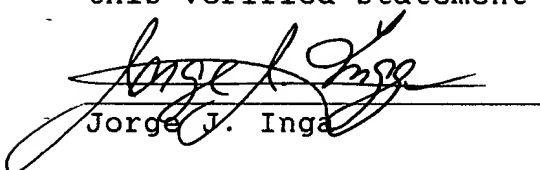

I further aver that Automated Medical Access Corporation is a small business concern as defined in 37 CFR 1.9(d) and 13 CFR 121.12.

I hereby aver that exclusive rights to an invention by Jorge Jaime Inga and Thomas V. Saliga, said invention described in a U.S. patent application filed herewith and entitled "Medical Image System with Progressive Resolution" have been conveyed to Automated Medical Access Corporation by contracts of assignment of a parent application, said assignments recorded by the United States Patent and Trademark Office on July 20, 1992 at Reel 6193, Frames 0513 and 0514.

I further aver that Automated Medical Access Corporation has not assigned, granted, conveyed or licensed and is under no obligation under contract or law to assign, grant, convey or license any rights in the invention to any person who would not qualify as an independent inventor under 37 CFR 1.9(c) if that person had made the invention, or to any concern which would not qualify as a small business concern under 37 CFR 1.9(d) or to a nonprofit organization under 37 CFR 1.9(e).

I acknowledge the duty to file, in this application or patent, notification of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate (37 CFR 1.28(b)).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of any application, any patent issuing thereon, or any patent to which this verified statement is directed.

Declaration Verifying Small Entity Status  
(37 CFR 1.9(d), 1.9(f) & 1.27(c))  
Small Business Concern

I, Jorge J. Inga, MD, hereby declare that I am:

\_\_\_\_\_ the owner of the small business concern identified below

☒ an official of the small business concern empowered to act on behalf of the concern identified below:

NAME OF SMALL BUSINESS CONCERN: Automated Medical Access Corporation, a corporation of Florida,

ADDRESS OF SMALL BUSINESS CONCERN: 6701 Hanley Rd, Tampa FL

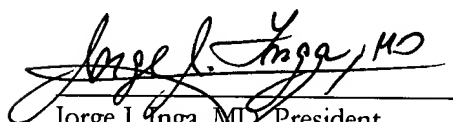

I further aver that Automated Medical Access is a small business concern as defined in 13 CFR 121

I affirm that Automated Medical Access Corporation is the holder of the entire right, title and interest in subject patent in accordance with an Assignment recorded by the US Patent and Trademark Office on July 20, 1992 at Reel 6193, Frames 0513 and 0514 for an application having Serial Number 07/915,298 from which subject patent matured as a divisional filing

I further aver that Automated Medical Access has not assigned, granted, conveyed or licensed and is under no obligation under contract or law to assign, grant, convey or license any rights in the invention to any person who would not qualify as an independent inventor under 37 CFR 1.9(c) if that person had made the invention, or to any concern which would not qualify as a small business concern under 37 CFR 1.9(d) or to a nonprofit organization under 37 CFR 1.9(e).

I acknowledge the duty to file, in this application or patent, notification of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of any application, any patent issuing thereon, or any patent to which this verified statement is directed.
